JIMMY COX

Monday April 26, 1965

Jimmy,

Knowing you for the past couple of years has meant a whole lot to me. We have had unnumberable good times together, and I am looking forward to more of them.

You are the nicest boy I have ever met, and I really appreciate this quality which you have.

Well there are just a few more days of school and we will be leaving Good ole Grantham. Although I won't be seeing you as much next year I will never forget you and the good times we have had together.

I hope you the best of luck the world has to offer. You'll need it within the next four years of college.

Always stay the same and you'll come out on top always.

Best of luck to a real deserving boy.

A friend always,
Claire Perkins

Foreword

We, who have served on the annual staff, and the Seniors would like to share with you some of the activities and special events of the year 1964-65. We hope, as you look through this annual, that you can relive this past year with true joy and happiness. This is the purpose of the 1965 GRANNAWAYNE.

For your help and understanding, we honor you,

Mrs. Eupha Pulley

Impartial, fair, helpful, friendly, and patience are among the qualities found in Mrs. Eupha Pulley, our commercial teacher. Her sense of humor plus her ability to teach make us enjoy her classes. As a commercial teacher she has been a great help to the annual staff and she is always willing to render her services to anyone who

needs them. With her help the problems of all the book-keeping students are soon solved. Her guidance and leadership have made the Beta Club a stronger organization. We, the Seniors, feel very proud to dedicate the 1965 GRANNAWAYNE to Mrs. Pulley. Thank you again for all your help.

*For your guidance and patience,
we show our appreciation to you,
Mrs. Vileigh Narron*

Interested, understanding, sympathetic, capable—these are among the qualities of Mrs. Narron. We know her as a teacher and as a friend. For the past four years we have been privileged to go to her with our many problems and needs, finding her ever willing to help us.

Even though we are graduating this year, each of us will always remember her kindness and willingness to help. In this, our yearbook, we, the Seniors are happy to say, THANK YOU, Mrs. Narron, for being a good all-round teacher and friend.

*For their Interest and willingness to serve our school,
we acknowledge these,
Our Board Members:*

Mr. John Allen Bennett, Mr. Frank B. Jordan, Mr. Joe Sanderson, Mr. Herbert Thigpen, Chairman; Mr. W. A. Jinnette is not pictured.

Mr. Ralph Pennington

We remember Ralph Pennington, one who loved his family, church, and community. His interest in the youth of the church and school was expressed by his teaching a Sunday School Class and serving as a member of the Grantham School Board. We who knew him will long remember the concern he had for others, his friendliness to all, and his willingness to serve so efficiently for the betterment of organizations in which he believed. It is men such as he that encourage a community to take pride in itself and make others interested in its progress.

*For your concern for others and interest in all,
we recognize you,*

Mrs. Mary Warren Flowers

A deep concern for students and for the school and a personal interest that extends through the years are immediately recognized in Mrs. Mary Warren Flowers. As a teacher, students remember her as being very efficient, kind, and attractive, and as striving to help them to be self-reliant. Her love for music and the desire to instill

an appreciation for the better music of the world have been of great benefit to all. Her interest in people is expressed in the many ways she is always lending a helping hand. For these and many other reasons we are happy to recognize Mrs. Flowers.

Junior Play - 1965

"OH! PROMISE ME!"

Barry Hollis, at twenty-one, has just graduated from Princeton, thereby coming into the fortune left him in his late father's will. On the train back from Princeton he meets and falls immediately in love with Gladys Vance. He persuades his aunt, to send Gladys a note inviting her for a visit. Another note goes to Patsie Linden, an old flame of Barry's, asking her to send back his frat pin. Alas, the notes get mixed! Patsie arrives with her mother, and threatens a breach of promise suit unless Barry marries her immediately. Then Barry has a bright idea; he couldn't possibly marry Patsie if he had a wife and family already. So he gets Ann, the butler's daughter, to pretend to be his wife—and to make it more convincing, he borrows a strange baby. Into this situation marches Gladys. Barry tries to convince Patsie he is married and Gladys he isn't married at the same time. From all the complications that arise, his girl-friends desert him, and Ann wins his hand.

The Junior Beta Club

The Junior Beta Club, organized at Grantham in the year 1962-63, is now sponsored by Mrs. Lois Denning. To qualify for membership, students must have a scholastic average of ninety and a citizenship grade no lower than a "B".

Its purpose is the same as that of the Senior Beta Club: "to promote the ideals of honesty, service and leadership among high school students of America, to reward merit-

orous achievement, and to encourage and assist students to continue their education after high school."

As this year's project, the club plans to furnish a lounge for the elementary teachers. It is sponsoring a Womanless Wedding toward this cause.

The Junior Betas hope that their activities will encourage other students to strive for eligibility for membership.

Class Prophecy

Janet Woodall and Annette Raynor are now in their own business as tooth snatchers in the All American Bank. Have you seen the new A B C store in Grantham? Joe Grantham has really gone to success. Billy Goff has really gone to the top in National Guard. He's head of the "Kitchen Patrol. " One is lucky to have an ear after being in Glenn Kennedy's Barber Shop. We are now proud of Ruby Brock, head nurse in Dorothea Dix Hospital. Janice Best is enjoying teaching Cosmetology at Troutman's College of Hair Styling Inc. Norwood Head is Wayne County's 1970 contestant in the Mr. America Pageant. Jimmy Cox is the new principal of Grantham Junior High. I know everyone saw Jane Porter on television the other night. Doesn't she look radiant since she has become a famous pianist? Donna Grady is teaching second grade at William Street and commuting from New Hope each day. Leon Darden and Nick Best are soliciting votes for sheriff of Wayne County. Each is really working for the office. Phebe Thornton and her husband have just completed their new home. Have you read the best seller of the year written by Mary Radford—HOW TO GET ALONG WITH OTHER PEOPLE? Did you see Claudia Sutton's picture in Vogue? She's now a Christian Dior model. Linda Hall is proud of the fact that she's just won a medal for being the best salesman at Cobb Motor Company. Dennis Harrell is head of the department of philosophy in one of North Carolina's largest Juvenile schools. The News Argus recently carried an article on the "Techniques of Growing Tobacco" by Edward Aswell, one of Wayne County's largest farmers. Jimmy Rose and Lemuel Hood are now "putt putt'in" down their very own golf course. Kaye Grady's very happy. She's keeping house and helping her husband through college. Betty Jo Seymour has finally decided to settle down and move to Virginia, where she is happy at her new occupation. Jim Grantham seems to be the most hated man by the teenagers. He now patrols Grantham Community. Dannie Harrell holds basketball practice six times a week, determined to make a good Jr. Varsity at Grantham. Janet Grantham has built a mansion right behind "Hardee's" so she can see everyone that circlces it. Betty Ivey and Ethel Faircloth own and operate the largest beauty shop in Newton Grove. Harry Jernigan, owner of "Frog Island Grill, " boasts the largest pool room in Sampson County. If you're near East Carolina, be sure to visit the special class on politics taught by Professor Ray Joyner. James Weeks is inventing a new car, which no one has seen yet. Wonder what it will look like? Larry Weeks and Lillie Warrick have just won first place in a silent contest. They haven't talked for 13 days. Judy Stacey has her own race track just for G. T. O. 's. Edna Lancaster is doing well in her garage. She specializes in motorcycles. Janice Cox is now chief cook and bottle washer for Harry at "Frog Island Grill. " George Summerlin is doing commercial art under Walt Disney. The little kiddy train at the park is now run by Robbie Cox. Ann Howell is now professor at the University of North Carolina where she is making those boys and girls walk the chalk line. The largest service station in Mount Olive is owned by Dwight Jackson. See Don Smith and Jerry Strickland every Saturday afternoon on "Championship Wrestling. " Barbara Daniels seems happy since she has changed her name to Lewis. Douglas Thompson is running a used car lot in Mount Olive. When we say "used, " we mean "Used! " Sarah Keen and Patricia Jackson are now happy with their positions as life guards on the Caribbean Islands. Wonder what they're up to now? Robert Davis and Floyd Graham are now teaching a course in engineering at Wayne Technical Institution. Johnnie Thompson, owner of the largest chicken farm in Wayne County, is putting in a processing plant.

Jimmy,

In these past 12 years
we have had many good times.
I really hate to see them go.
Best of everything to you in the
coming years. (you will really
need it in college.) Just be sure
you behave yourself while you
are away at college!

A friend, classmate, and cousin,

Janice Cox

Jimmy,

I have really enjoyed being
one of your friends and classmates
these years. You have really been
a lot of help to me in geometry this
year. I don't know what I would
have done without you. I sure hope
I could get your school bus for next
year. I might make a driver one day,
not if it depends on staying out of
ditches. I want to wish you the best
of luck in the future. I hope you
enjoy college next year. Don't grow
a face like your cousin Ed's, you
know what I mean. God Bless you
always.

A friend always

Brenda R. Cox

~~(Reserved)~~

Jimmy,

Boy has it been fun being in school all these years. I can remember all those times we went to M.Y.F. and going to town afterward. Remember that summer that I date or went to town with your Mt Olive cousin, that too was lots of fun. Even though we are graduating this year. I'll always remember you as a nice and deserving person. Best wishes and lots of luck with that (silly) kidding cousin of mine.

P.S. you'll need it) a friend and Classmate
